1U 19" ADJUSTABLE PASS-THROUGH WITH BRUSH SEALS

DCS DATA CENTER SYSTEMS

PART NUMBER: 641-0285-000
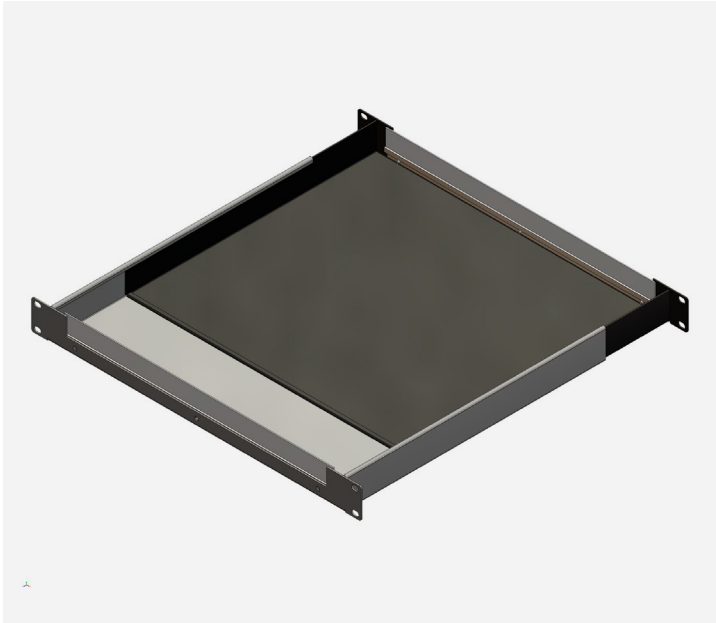

General Specifications

Product Series	Cable Management					
Product Type	Cable Pass-Through					
Rack Units	1U					
Color	Black					
Dimensions	**Height**	1.75″	**Width**	19.00″	**Depth**	15.25″ - 28.50″
Weight	4.5 lb					

Application

This Pass-Through Panel was designed for routing cables from the front to the rear of the rack. The panel features an adjustable depth that mounts on the front or rear of any EIA standard 19″ rack or cabinet, giving a surface area for cable to rest. Brush seals on front and rear allow passage of cables while blocking airflow between hot and cold isles.
