

## 3U OVERHEAD ABOVE TRAY MODULAR FRAME

DCS recognizes the importance and value of rack space within cabinets in data center environments and has innovated out of cabinet frame designs that can be mounted above overhead cable pathways. This rack can support fabric extender switches, power distribution units, or patch panels and enclosures. By utilizing the DCS overhead frames, valuable space can be acquired inside cabinets while fiber distribution can be managed from above.

### PRODUCT SPECIFICATIONS

#### Product Type

Overhead Frame

#### Product Series

Cabinets and Frames

#### Features & Benefits

- Modular Design
- Rear Fiber Supports
- Ladder Rack or Basket Tray Mounting Options
- Lightweight Aluminum Design
- 3U rack spaces can mount up to 3 devices

#### Dimensions

Configuration	Height	Width	Depth
3U	7.00"	21.50"	19.00" - 30.00"

#### Available Configurations

Item Number	Configuration	Color*
345-0067-001	3U	Black
345-0067-000	3U	ECO/Silver

\*Other Colors Available Upon Request
